**Message**

Exciting news for St. Patrick's Foxhall Project is under way. Sharing Our Plans. Sharing Our Future.

**Introduction**

The Foxhall Project is a major expansion of St. Patrick's Episcopal Day School, providing a new high school, middle school, elementary school, and preschool. The project is a testament to the school's commitment to providing the best education for its students.

The Foxhall Project is a major expansion of St. Patrick's Episcopal Day School, providing a new high school, middle school, elementary school, and preschool. The project is a testament to the school's commitment to providing the best education for its students.
